PROFESSIONAL SUMMARY

Senior iOS Developer and CTO with 5+ years building innovative mobile applications. Led technical teams, architected complex real-time AI voice systems, and shipped 10+ iOS apps with 600+ users. Expert in SwiftUI, architecture, and AI-augmented development workflows.

TECHNICAL SKILLS

Core: Swift, SwiftUI, UIKit, SwiftData, Core Data, MVVM, Repository Pattern

Advanced: Voice AI Integration, Accessibility (WCAG), Async/Await, Combine

AI & Tools: OpenAI APIs, Claude Code, Cursor, Xcode Cloud, GitHub Actions, Supabase, FastAPI

Leadership: Technical Architecture, Team Management, Code Reviews, Mentoring

EXPERIENCE

Chief Technology Officer & Lead iOS Developer, Mar 2024 - Present

- Built iOS app for pest control technicians with AI chatbot and voice-to-voice role-play
- Solved complex PCM audio streaming challenge for real-time OpenAI TTS integration
- Led remote team of 3, established CI/CD with Xcode Cloud, deployed updates 1-2x weekly
- Achieved 52+ active users, reduced supervisor interruptions by 70% through AI self-service

iOS Developer Intern, Family Search, Jan 2025 - Apr 2025

- Refactored UIKit to SwiftUI, enhanced WCAG accessibility, modernized async patterns

CEO & Lead iOS Developer, Weis Solutions LLC, Oct 2023 - Present

- Launched 5+ iOS apps with referral-driven growth
- Developed Strive Planner: 600+ downloads, 4.9 rating (17 reviews)
- Created reusable architecture system for rapidly building iOS apps with consistent quality

iOS App Developer, Elements Financial, Aug 2020 - Jun 2021

- Collaborated with cross-functional team including designers and developers

NOTABLE PROJECTS

Strive Planner: Built complete calendar app with SwiftData featuring custom time picker, complex iCal recurrence UI, goal tracking, and person-event relationships. Philosophy: "intentionality over productivity"

EDUCATION

Brigham Young University - Idaho | Computer Science | 3.9 GPA | Jan 2024 - May 2027

President, Mobile Computing Society - Leading team developing wedding planning application

LEADERSHIP

Eagle Scout, Boy Scouts of America - Organized 60-volunteer event delivering children's hospital pillow kits

LDS Mission (Spanish) - Led missionary teams in training, planning, and goal achievement | Oct 2021 - Oct 2023
